### CLARIFICATION: UPDATE - GOBBOS and PERU Platypus Minerals Ltd ("Platypus" or "Company")

We wish to clarify and correct a typographical error in the announcement released this morning.

The last sentence in the second paragraph should read:

Platypus is currently sourcing a suitable drilling contractor to complete the initial program of **4 holes for 1,000 m of RC drilling** as soon as possible, ahead of the onset of the wet season.

The metreage was initially mistyped as "100 m."
