EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2018 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.lepidico.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Related Party	Current Financial Year (\$)	Previous Financial Year (\$)
Gary Johnson	\$109,500	\$87,600
Mark Rodda	\$87,600	\$65,700
Julian Walsh	C\$490,000	C\$347,250
Brian Talbot	\$54,750	\$23,519
Cynthia Thomas	\$87,600	\$23,501
Tom Dukovcic	\$250,000	\$249,677

- (j) if the Related Party Options granted to the Related Parties are exercised, a total of 55,000,000 Shares would be issued. This will increase the number of Shares on issue from 3,356,175,188 to 3,411,175,188 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 1.62%, comprising 0.22% by the options proposed to be issued to Mr Johnson, 0.22% by the options proposed to be issued to Mr Rodda, 0.44% by the options proposed to be issued to Mr Walsh, 0.22% by the options proposed to be issued to Mr Talbot, 0.22% by the options proposed to be issued Ms Thomas and 0.30% by the options proposed to be issued to Mr Dukovcic.

The market price for Shares during the term of the Related Party Options would normally determine whether or not the Related Party Options are exercised. If, at any time any of the Related Party Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

- (k) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	7.9 cents	15 January 2018
Lowest	1.8 cents	12 September 2018
Last	2 cents	4 October 2018

- (l) the primary purpose of the grant of the Related Party Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward the performance of the Related Parties in their respective roles as Directors;

- (m) Mr Johnson declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 5 be passed. However, in respect of Resolutions 6, 7, 8, 9 and 10, Mr Dukovic recommends that Shareholders vote in favour of those Resolutions for the following reasons:
- (i) the grant of Related Party Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed;
- (n) Mr Rodda declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 6 be passed. However, in respect of Resolutions 5, 7, 8, 9 and 10, Mr Rodda recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (o) Mr Walsh declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 7 be passed. However, in respect of Resolutions 5, 6, 8, 9 and 10, Mr Walsh recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (p) Mr Talbot declines to make a recommendation to Shareholders in relation to Resolution 8 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 8 be passed. However, in respect of Resolutions 5, 6, 7, 9 and 10, Mr Talbot recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (q) Ms Thomas declines to make a recommendation to Shareholders in relation to Resolution 9 due to her material personal interest in the outcome of the Resolution on the basis that she is to be granted Related Party Options in the Company should Resolution 9 be passed. However, in respect of Resolutions 5, 6, 7, 8 and 10, Ms Thomas recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (r) Mr Dukovic declines to make a recommendation to Shareholders in relation to Resolution 10 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 10 be passed. However, in respect of Resolutions 5, 6, 7, 8 and 9, Mr Dukovic recommends that

Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m)

- (s) in forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options; and
- (t) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 10.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to the Related Parties as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Options to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

6. RESOLUTION 11 – APPROVAL OF 10% PLACEMENT CAPACITY

6.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$67,123,504 (based on the number of Shares on issue and the closing price of Shares on the ASX on 5 October 2018).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has two classes of quoted Equity Securities on issue, being the Shares (ASX Code: LPD) and listed Options (ASX: LPDOA).

If Shareholders approve Resolution 11, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 11 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 11 for it to be passed.

6.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 11:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 6.2(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 11 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 5 October 2018.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic

dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.01 50% decrease in Issue Price	\$0.02 Issue Price	\$0.03 50% increase in Issue Price
3,356,175,188 (Current Variable A)	Shares issued - 10% voting dilution	335,617,519 Shares	335,617,519 Shares	335,617,519 Shares
	Funds raised	\$3,356,175	\$6,712,350	\$10,068,526
5,034,262,782 (50% increase in Variable A)	Shares issued - 10% voting dilution	503,426,782 Shares	503,426,782 Shares	503,426,782 Shares
	Funds raised	\$5,034,268	\$10,068,536	\$15,102,803
6,712,350,376 (100% increase in Variable A)	Shares issued - 10% voting dilution	671,235,038 Shares	671,235,038 Shares	671,235,038 Shares
	Funds raised	\$6,712,350	\$7,424,701	\$20,137,051

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 3,356,175,188 Shares on issue comprising:
2. The issue price set out above is the closing price of the Shares on the ASX on 5 October 2018.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(b) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for as cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued project development and exploration expenditure on the Company's current asset portfolio (funds would then be used for project, feasibility studies and ongoing project administration) and / or for general working capital ; or
- (ii) as non-cash consideration for the acquisition of new resources assets and investments including previously announced acquisitions, in such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(c) **Allocation policy under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(d) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 23 November 2018 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 22 November 2017, the Company otherwise issued a total of 434,035,037 Shares (excluding exercise of Options) and 275,518,031 Options which represents approximately 23.80% of the total diluted number of Equity Securities on issue in the Company on 22 November 2017, which was 2,981,520,897.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 2.

(e) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

6.3 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 11.

7. RESOLUTION 12 – NON-EXECUTIVE DIRECTORS' REMUNERATION

ASX Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Clause 14.7 of the Constitution also requires that remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increase by ordinary resolution of Shareholders in general meeting.

The maximum aggregate amount of fees payable to all of the non-executive Directors is currently set at \$250,000. Resolution 12 seeks Shareholder approval to increase this figure by \$350,000 to \$600,000.

This amount includes superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with the Constitution, or securities issued to a non-executive Director under ASX Listing Rule 10.11 or 10.14 with approval of Shareholders.

The maximum aggregate amount of fees proposed to be paid to the non-executive Directors per annum has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies.

Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the proposed limit is requested to ensure that the Company:

- (a) maintains its capacity to remunerate both existing and any new non-executive directors joining the Board;
- (b) remunerates its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and
- (c) has the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.

In the past 3 years, the Company has issued non-executive Directors (and / or their associates) the following securities with prior Shareholder approval under ASX Listing Rules 10.11 and 10.14:

Related Party	Shares	Options
Gary Johnson	Nil	20,000,000
Mark Rodda	Nil	20,000,000
Brian Talbot	Nil	Nil
Cynthia Thomas	Nil	Nil
Laurence Ziatas (former director)	Nil	10,000,000
Rocco Tassone (former director)	Nil	16,666,666

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

Notes:

1. Market Price means the closing price on ASX (excluding special crossings, overnight sales and exchange traded option exercises). For the purposes of this table the discount is calculated on the Market Price on the last trading day on which a sale was recorded prior to the date of issue of the relevant Equity Securities.
2. Fully paid ordinary shares in the capital of the Company, ASX Code: LPD (terms are set out in the Constitution).
3. For Quoted Options: Quoted Options, exercisable at 4.5 cents each, on or before 20 September 2020. For Unquoted Options: Unquoted Options exercisable at 9.1 cents on or before 23 November 2020.
4. This is a statement of current intentions as at the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.
5. In respect of quoted Equity Securities the value is based on the closing price of the Shares (\$0.02) or Options (\$0.006) (as the context requires on the ASX on 5 October 2018). In respect of unquoted Equity Securities the value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).
